APPLICATION FOR MEMBERSHIP

Welcome, and thank you for your interest in the Port Angeles Yacht Club, founded in 1937 to promote seamanship and camaraderie among people with similar interests. We are a casual yacht club with both sailing and cruising members as well as many non-boat owners –you do not need to own a boat to join the Yacht Club. We have a fleet of small boats that are available for members’ use. Each month we hold a Burger & Brew the 1st Friday, a Dinner Meeting on the 3rd Friday and an Event Night on the 4th Thursday. Other activities include group cruises, a predicted log race, sailboat races, an open house for water-related organizations and a marine swap meet. We have reciprocal agreements with over 100 other Yacht Clubs which offer our cruising members reduced or free moorage and access for all our members to the other clubs’ amenities. More Club information can be found at our website: www.payc.org .
